

EDWIN MOUAWAD

Undergraduate Computer Science Student

edwinmouawad82@gmail.com • (+961) 78805447 • Dick El-Mehde, Lebanon

PROFILE

Motivated and passionate computer science student, pursuing a Bachelor. Eager to contribute and grow in a dynamic, team-oriented environment with interests in software development, cybersecurity, game development, and AI.

EDUCATION

COLLEGE MARISTE
CHAMPVILLE.

Lebanese

Baccalaureate General
Sciences (mention tres
bien)

Year of graduation: 2024

INCI-USJ

Bachelor of Science in
Computer Science.
Expected graduation
year: 2027

LANGUAGES

Arabic — Native

French — Native

English — Native

Spanish —
Conversational

TECHNICAL SKILLS

Programming	Python, C++, C, C#
Desktop Dev	C# (Windows Forms, .NET)
Web & Frontend	HTML, CSS, JavaScript, jQuery
Database & Backend	MySQL (XAMPP, SQL server management studio 2022), MongoDB.
Networking	CCNA: Switches, Routers, IPv4, Cables, IPv6...
Systems	Microsoft Server 2016, Unix/Linux
Marketing	Marketplace Simulation
Productivity	Microsoft Word, Excel, PowerPoint...

Core Competencies:

Logical Thinking & Problem Solving • Teamwork • Adaptability • Oral & Written Communication

PROJECTS

- Event Planning App — Using C# windows forms.
- Informational Website about Project Silica— Designed and developed a multi-page informational website.
- Tic Tac Toe with AI — Implemented an AI opponent using minimax algorithm.
- Pacman with AI — Built a Pacman game featuring an intelligent AI agent.
- Robot Collector with AI — Implemented UCS and A* search with custom heuristics for optimized grid navigation.
- Enhanced Project Silica with .NET Framework — Integrated SQL database for efficient data storage and retrieval.

LICENCES & CERTIFICATIONS

CCNA: Introduction to Networks | June 2025

Completed CCNA Introduction to Networks at CST, USJ through the Cisco Networking Academy Program with a score of 95%.

CCNA: Switching, Routing & Wireless Essentials | February 2026

Completed CCNA Switching, Routing and Wireless Essentials at CST, USJ through the Cisco Networking Academy Program with a score of 95%.

Marketplace Simulations | December 2025

Achieved 3 certificates: Best in Class (Top Company), Global Top 10 Competitor (ranked in the top 10 worldwide), and Simulation Completion.
